PROFILE

Looking for an internship from March 2020 to June 2020.

I am truly passionate about innovation, tech and business. By becoming a great developer, I hope to contribute to the innovation of tomorrow. I am always looking for new knowledge to keep growing, both as an individual and as an employee. If there is anything I don't know, I'm not afraid to learn. Therefore, I am now searching for an internship where I can both learn from and contribute to the company's development.

EDUCATION

Web Developer Full Stack Open Source – Nackademin
HT 2019 – VT 2021
Selection of coursework: JavaScript, NodeJS, MongoDB, MySQL, JSON, jQuery, HTML5, CSS, SASS/LESS, Bootstrap, CMS, and PHP.

Degree of Bachelor, Business Administration and Management – Stockholm Business School, Stockholm University
HT 2016 – VT 2019
Selection of coursework: Economics, statistics, management, finance, controlling, accounting and marketing. Wrote my bachelor's essay about self-managing teams in agile IT-organizations.

EXPERIENCES/PROJECTS

Operations Associate - Whispr Group
JUN 2018 – CURRENT
- I build dashboards to visualize KPIs for the company and our clients.
- I calculate and maintain KPIs.
- I continuously recruit new talents to both the Stockholm office and New York-office. I also headhunted the group CFO.

Chat-application - Nackademin
DEC 2019
- NodeJS, MongoDB, Socket.io, ExpressJS, JavaScript, HTML5, CSS, API-requests/providers, Git.
- A real-time chat application, similar to Slack, with chatrooms and direct messages. The user can create an account and chat with other online users. Users can also manage their own account and create new chatrooms.

CRM-system - Nackademin
OCT - NOV 2019
- JavaScript, HTML5, CSS, JSON, API, Git.
- Agile project where we as a team developed a CRM-system. The system included features for managing customer data, adding new clients, to do-lists, calendars, notifications and client history.

E-commerce for grocery shopping
OCT 2019
- JavaScript, HTML5, CSS, JSON, API, Local Storage.
- Individual project where I designed and developed a simple e-commerce for grocery shopping. The site included a product page, shopping cart and shopping lists.

OTHER MERITS

1st place in Microsoft's Hackathon for

Women 2019.

Beginners course in Java at IT College

Corporate host at Stockholm University

Economy Fair

PADI Open Water

2nd place in the category *Product of the*

Year at Sweden's Championship

for young entrepreneurs

Quiz - Nackademin
SEP 2019
- JavaScript, HTML5, CSS, JSON, API, Git.
- Individual assignment where I developed a quiz application which included questions collected from a JSON-API. The user got to choose the number of questions and the application calculated the score.

Yatzy game - Nackademin
SEP 2019
- JavaScript, HTML5, CSS, Git.
- Developed a Yatzy-game for four players with randomized dices.

Co-founder and owner - Collabs
JAN 2017 – JAN 2019
- Started a clothing brand with the ambition to change the Swedish market for merchandise.
- The clothes were worn by famous Swedish hip hop-artists such as Linda Pira, Norlie & KKV, Jireel and Newkid. www.collabs.se

Chairwoman, Entrepreneur Club – Stockholm University
JUN 2017 – JUN 2018
- Elected chairwoman of the committee for entrepreneurship at Stockholm University.

Board member – Unipreneurs Network
JUN 2017 – JUN 2018
- Unipreneurs Network is a collaboration between student associations in Sweden to encourage entrepreneurship.
- Together we created Create Squared, Sweden's largest student hackathon for entrepreneurship.

Shop assistant – Twilfit
APR 2017 – DEC 2017
- Part-time job alongside University studies.

Shop assistant – Hunkemöller
JUN 2016 – DEC 2016
- Part-time job alongside University studies.

Customer Support – Hi3G Access
JUN 2015 – MAR 2016
- Worked at the anti-churn department with the main focus to create trust and make the customers keep their subscriptions.
- I received diplomas for the highest anti-churn percentage and best customer satisfaction.

Cashier – Coop
JAN 2013 – JUN 2015
- Part-time job alongside high school.
